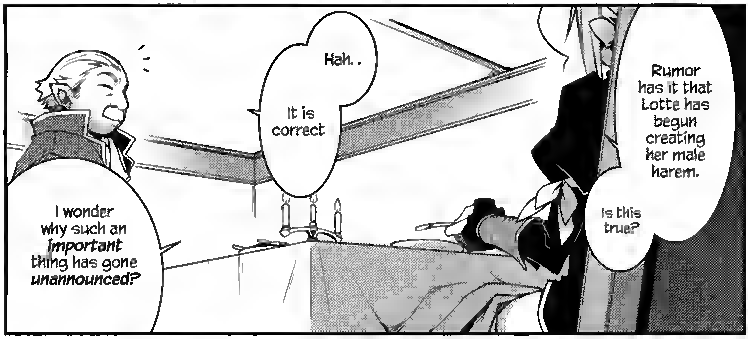
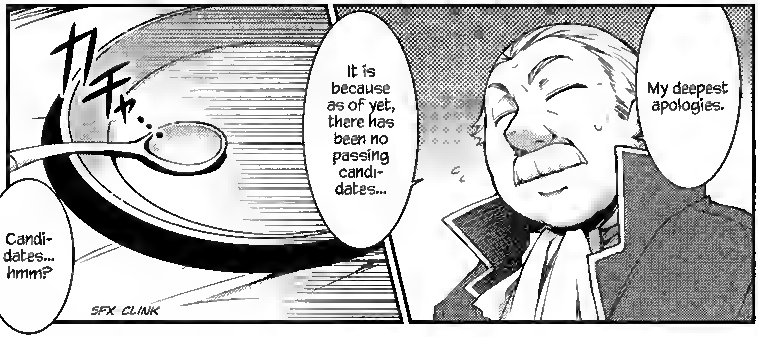
YGVARLAND KINGDOM'S ROYAL PALACE REINHILD CASTLE
Grand Chamberlain.



Rumor has it that Lotte has begun creating her male harem.
Is this true?
Hah. . It is correct
I wonder why such an important thing has gone unannounced?



My deepest apologies.
It is because as of yet, there has been no passing candidates...
カチャ..
Candidates... hmm?
SFX CLINK

More importantly than that, this is incredible progress
That girl is actually showing *interest* in men.
YGVARLAND QUEEN, MELCHELIPA THE 1ST
I would like to see it.
The face of the one with whom my man-despising daughter has fallen in love with

Chapter 10: The Queen's Attack!

Well .
Mistress Great Sage.
Aren't you mistaken?
According to the recorded observational data my father made...
From year 7, month 11 and again in year 11, month 4...
A person thought to be of the succubus family came and went between Alfheimr and Midgard.
I had a bad feeling about it, but...
There doesn't seem to be any mistake about it, I guess.
Is something wrong?

No, you were saying..
It has a bit to do with the particular *person*, you see.
...well, not quite.

Even with the seeming return of Yggdrasil's connections and the ability to travel the worlds by one's self, it can probably only be done by one portion of the ancient families of *High Runes*.
Such as you *Old Alfheim*, or *Succubi* like Princess Lotte.

I see.
So therefore, only certain people...
In other words,
11 years and 4 months ago, and... 7 years and 11 months ago, disappearing for only a single day.
Furthermore, according to the guards on defense, the one who went close to Yggdrasil was certainly only a citizen of Yggvariand.
Per-perhaps you would rather I not say anymore?

From Colonel Ursula?

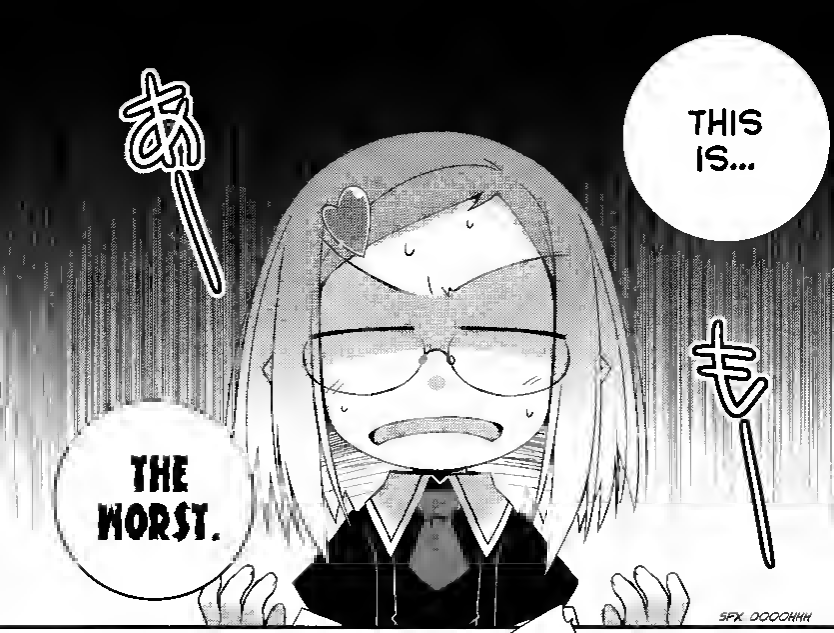
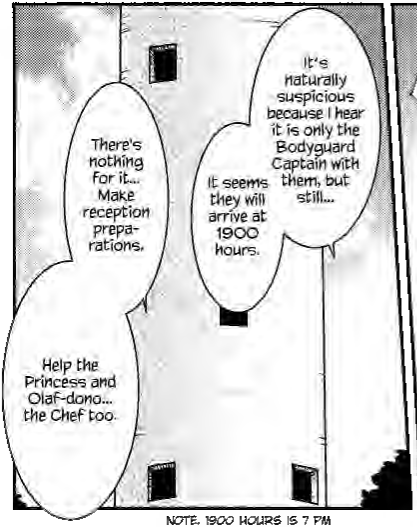
Where is Judit-sama?
If I remember correctly, she is in the Ivory Tower...





There's nothing for it... Make reception prepa-rations.
It's naturally suspicious because I hear it is only the Bodyguard Captain with them, but still...
It seems they will arrive at 1900 hours.
Help the Princess and Olaf-dono... the Chef too.

NOTE. 1900 HOURS IS 7 PM IN MILITARY TIME

Naoya-dono and Asuka-chan are not to go out of their rooms.
Kuu, keep them company
?
Y-yes.
Now then...

Oh well
There's no reason it's certain yet, but...
For the moment it's probably better those two did not meet...

...Huh?
Mother is coming!?
Aaah.
You'll meet with her, right?
It's a bit sneaky but will you dine with her?
Yes.

Y-yeah.
The other day when she visited me..
I really wasn't able speak with her.
Then today, it'd be good to talk a lot, right?
Yeah.

Is there a young male harem member here?
There is one, right?

I am here specifically to meet him

SFX BURST (L)
The dinner preparations are complete.
It has been a while since this old man was graced with serving duty!
Effie is resting
I see...
The old man is in surprisingly high spirits, isn't he?
It's 'cause lately he's been meek.
SFX SPIN

I really wanted to see the Princess's mother too
Awww.
SFX SHUT
Sorry,
it would be bad if there were any impropriety around the Queen,
so I came to play with you instead
Ahaha...

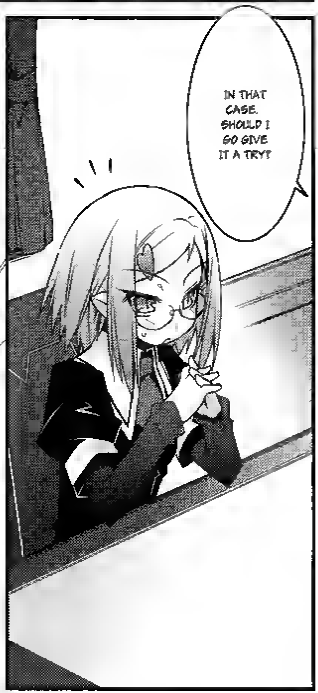
We are cast away!
If that happens...
the road will open!
"WE ARE THROWN AWAY! IF THAT HAPPENS THE WAY WILL OPEN." HUH?
THIS IS A RIDDLE ISN'T IT?
IT IS ONLY AN ABSTRACT QUESTION THE ANSWER WILL BE CLEAR AND SIMPLE.
HEY, PAPA WHAT'S THAT QUESTION MEAN?
HM?
SIMPLY PUT, "IF I AM THROWN AWAY, YOU CAN ADVANCE AHEAD. NOW, WHAT AM I?"
THAT SORT OF THING, SEE?
HELLO THERE. I'M TOUHARA MAOYA...
YOU MIGHT ASK WHY WE'RE IN A PUZZLE OVER THIS WITTY LITTLE QUESTION

2 DAYS EARLIER...
THE GREAT SAGE SOLVEIK?
YES
HAVING LIVED FOR 500 YEARS, HE HAS AMASSED EXTENSIVE KNOWLEDGE AND IS THE GREATEST SAGE IN ALFHEIMR.
HE HAS BEEN ENTERTAINED AS THE GUEST OF HONOR WHILE WANDERING EVERYWHERE.
NOW HE IS SECLUDED IN THE LONELY MOUNTAINS IN AN IVORY TOWER
I WANTED TO CALL UPON HIS KNOWLEDGE ABOUT YGGDRASIL'S DISTORTIONS BUT...
I AM UNABLE TO MEET WITH HIM.

IT SEEMS THAT IF YOU CANNOT ANSWER THE RIDDLE UPON HIS DOOR YOU CANNOT MEET WITH HIM
NO MATTER MY ANSWER IT APPEARS INCORRECT
I SEE

THAT'S IT ISN'T IT?
IT SEEMS THAT THE SAME PERSON DOES NOT HAVE A SECOND CHANCE. THEREFORE...



IN THAT CASE. SHOULD I GO GIVE IT A TRY?

IF YOU WOULD PLEASE. NAOYA DONO
SLAPLY!

Chapter 8: The Great Sage of the Ivory Tower

ONE OF THE BODYGUARD'S FLYING DRAGONS HAS BEEN PREPARED

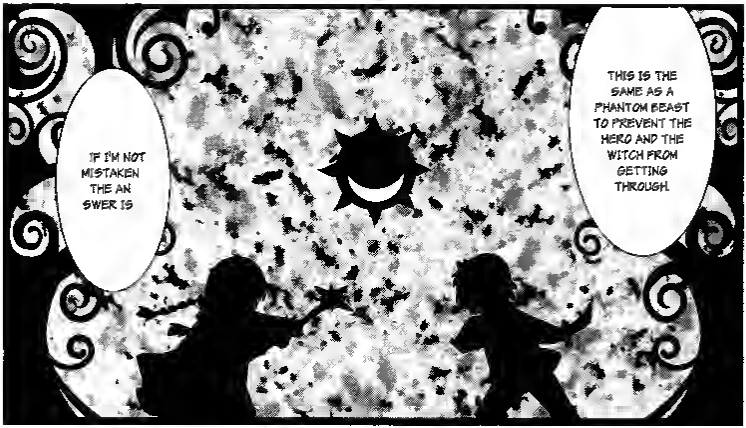
LANDING SOON ANYWHERE WOULD BE NICE..!
SO...

...AND THAT'S WHY WE'RE HERE...
THE IVORY TOWER
AH, IT LOOKS LIKE THE ANSWER'S SO IN THIS BOX
THEN THE ANSWER'S NOT WORDS BUT AN OBJECT
SOMETHING THAT IF THROWN AWAY, YOU CAN ADVANCE AHEAD... HUH?
IT SEEMS JUST LIKE THE SAME PUZZLE IN MANGA I LIKED WHEN I WAS A CHILD...



IF I'M NOT MISTAKEN THE ANSWER IS
THIS IS THE SAME AS A PHANTOM BEAST TO PREVENT THE HERO AND THE WITCH FROM GETTING THROUGH.

Lizard Tail!

I CAN'T THINK OF THE ANSWER A GREAT SAGE WOULD WANT
UNEXPECTEDLY JUDIT-SAN COULD NOT EITHER.
HMM

Hah...
He has gone in my place to the tower of the Great Sage.
Judit!
Where's Naoya?
Ehh...
Y-Yes...
He...
..He is my toy after all.
...
Why not just use your maids?
Making him go run strange errands is easy, so...
..It's just, just...
Certainly is...
Agreed.
My point is...

Really now!
He's just not aware of this and that!
He can't be my toy if I can't use him at the time I want to, can I?
Maybe he ought to be chained up by a collar or something...

Chapter 9
Great Sage of the Ivory Tower II

So it's about the distortions of Yggdrasil, hm?
I see...
It certainly did lose its power more than 1,000 years ago..
...The links to many other worlds have been restored.
...Regardless, it shouldn't be a temporary thing.
Thank you...

I'd like to know more definitely about recent reconnections...
...And things such as that.
You put it that way, though..
...You do not wish to know, as you say that you came to ask in place of another person
Y-Yes, that is correct.
The person seeking knowledge should have personally come
It is better for that person to come directly to ask and communicate.
W-Well...
...You see...
...That person did come just the other day but...
That...

As I thought...
She introduced herself as Princess Astalotte's Head of Female Staff.
Ah... You mean the old AlPhe-woman who submitted a lizard's tail?
Usually a lizard's tail...
...Or a cicada's shed skin are submitted, but...
Leaving that aside, this is the first time underwear has been submitted.
Hey, Eeri-chan!
Pl...st...
Always do so, alright?
It's a good thing I wore them, huh?
Therefore, this is the first time I have let other people into this tower.
Such a nice design.
Not once have they captured my interest.

I'm giving you those panties so...
..Can you please answer papa's request?
...Eeh!?
Yeah! Your name's so long that I can barely remember, so I shortened it.
Don't you like it?
I have no recollection of my name being called by people
I don't really understand... But, well, call me what you want.
No memories of your name being called...
Are you saying you've always been inside this tower?
Correct.
Ever since I was born, I have not set foot outside of this tower, even once
ぴょこーっ

A-ARE YOU REALLY ABOUT THREE HUNDRED YEARS OLD?!
..I'm not even seven years old yet
The one who has lived for three hundred years would be my father.
The Great Sage Solveik Otto Solgrims.
You came here to visit him, did you not?
Uh...
Y-Yes...
...That was our purpose...
It's already been five years...
...Since he passed away.

.. LONG YEARS HE RESEARCHED, HE GATHERED THE PUREST SORCERIES ABOUT THE LIVING BODY. THEN HE PERFORMED AN OPERATION...
.. HE "IM-PLANTED" ALL OF HIS ACCUMMU-LATED KNOWLEDGE INTO MY BRAIN
MY FATHER, WHO PERCEIVED THE TIME OF HIS DEATH, FEARED THE LOSS OF HIS KNOWLEDGE FROM THE WORLD ..
Therefore my father's knowledge is *my* knowledge.
...
Since I know all of it, there is no need for me to go outside, is there?
あむ。

They're tasty.
Want some?
Huh?
It's Strawberry Daifuku.*
Oooooh!
...I didn't know this mansion had such a basement.
It is used as my Correction Room.

ピキ
...?
...
...!
I don't want to know *how* exactly you use this room, *but*...
...Regardless, it looks incredible.
By the way...
Are all these things for use with mates?
...But another way, why is it that you...
...have such things?
Oh?
I was quite fabulous when I was your age, you know.

Princess..
..Collars are nice, but there are also..
I-IT'S MOVING!
DON'T TOUCH IT!
...You know, this reminds me of your mother and some friends.
Ah!
What is THIS?
Your majesty isn't quite to that level yet, but...
When Naoya-dono is bad, he *must* be punished.
It's exceptionally effective for *"Domination."*
W-W-Whips?
How about *this?*
...WHIPS.

N...
No...
...I'll...
That's...
ゴゴゴ
ゴゴゴ
ゴゴゴ
...
T-This is fun!
This is really fun!
ぴっ
ぴっ
Ah...
...Actually, that was only put there as a joke...

WAAAH!
Great view!
I am able to extensively look over the wide world outside from here.
It doesn't feel constrained at all.
...This child..
...Has lived inside this tower ever since she was born?
She has had knowledge crammed into her head...
...But she's unfamiliar with people and has no personal experience..
How is it?
Incredible!

...
ｲﾔｰﾝ...
...Hm?
Mistress Great Sage..
...Why don't we go outside?
What for?
Would you please come to the princess's mansion...
..And be so kind as to answer our questions?

Yep!
...You were made to come to the tower...
...to get me to go speak with you
...
...I have one condition.
I want to learn something that I do not know
Trivial things are disqualified.
Are you able to show me...
...A truth of the world that I do not know?

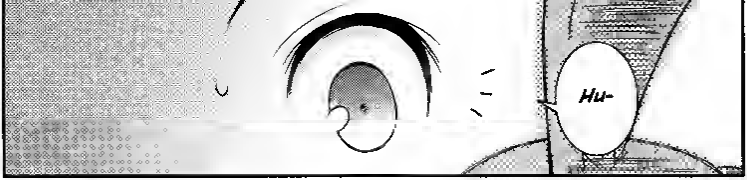
In the world outside, there are many millions of exciting truths you cannot get enough of.
If you can, then yes, we shall go outside the tower

There are truths in the world of such worth.
Thoughts that are both *exciting* and *life changing*.

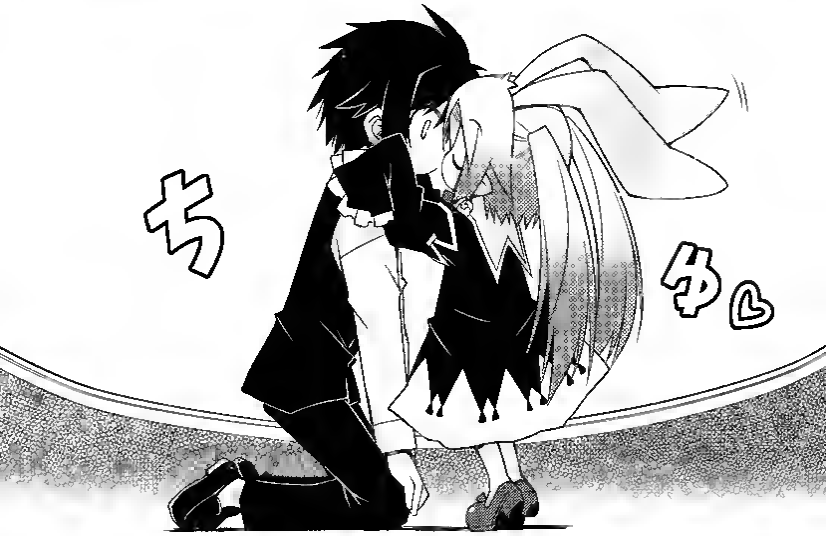
...What sort of things, for example?
For example... Yes!
Such as people falling in love!
I can think of many.
...The thing called names such as love and romance.
I am certainly unable to comprehend that...
Eeni-chan... You know, about that...
ポン

It's not something you *think* about.
CHU
So suddenly!
That's called a *kiss*.
Whaa...
...What the?
Whaa...
So, how'd it feel?
Quite interesting...
..Sort of like *tickling*.
Not bad.
..How to put it... *It's*...
Huwawa~

Really?!
I will proceed to the mansion
..Al-right...
..I give in to your enthusiasm.
Kissing's a bit brash...
Yeah yeah.
That kind of feeling is fun!
With people in love, it feels even more wonderful.
Thank you very much!
So please wait for me.
There are some arrangements to make over here, but before long I will most certainly visit you.
..You said your name is Naoya, right?
Do you like me?
Huh?
..We only just met, but...
...I like you.
I want to like you even more.
...That so?



Hu-



ち

...How did that feel?
M-MISTRESS GREAT SAGE!
Incredible! Right on the lips!
Ah...
..I forgot to slip my tongue in
IT'S FINE NOT TO PUT YOUR TONGUE IN!

Ah...
Fuaaaah...
Nnn...
Yesterday was tiring.
Good morning, Papa.
Yeeeeah...
I wonder when Eemi-chan will come.
I don't think it'll be today, though.
Oh!
Today seems like a fine day too!
...Hm?

WHA?!

MISTRESS GREAT SAGE!

What the...?
Oh...
...Natsuya, huh?
I came as I promised.
What?!
Really?!
It is good that you call me Eeni.
That girl called me by it, and I have come to like it.
I have decided to call myself Eeni as well.
O-Oh...
More importantly, the tower...
Hiii!
This tower has the ability to compress and move space
Convenient, isn't it?
I thought it was good to be nearby for whenever you wanted to meet.
Huh?
もじ
もじ
It's because...

I AM YOUR LOVER AFTER ALL.
WUT?
Don't be shy... We even exchanged kisses.
Nao-yii...
...What is she talking about...?
Huh...?
HUH?!
IT SEEMS THAT THE TIME HAS COME TO USE PUNISHMENT TOOLS WITHOUT DELAY!
I saw this coming, Princess. Here's the whip...
And that!
Such intensity...

ONEE-CHAN, YOUR SKIN IS SO SMOOTH!
WELL YOU'LL BE FINE FOR SOME TIME, I GUESS.
IT IS, AS ALWAYS, THE TASTIEST AMONG FORN ALFURS.
HMM- HMM!
WELL, IT'LL BE A NICE MEMORY IN THIRTY YEARS.
WHY, THANK YOU!
I'm done examining the princess...
ARE WE ALL DONE PER-CHANCE?
AH-
WAIT A BIT, YRMIN
THERE'S ONE MORE PERSON...
Let me borrow a robe.
HUH?

THIS GUY'S EXAMINATIONS DON'T STOP HERE.

NAOYA-DONO.

LISTEN, NAOYA-DONO.
A COMPANION FOR FULFILLING OUR SUCCUBUS PRINCESS'S SEMINAL NEEDS, CORRECT?
AGH! WH-WHA-

THE MOST IMPORTANT THING, THEN...

IS TO ENSURE THIS THING...
IS ONE HUNDRED PERCENT HEALTHY, NO?
BUT I HAVEN'T INVESTIGATED THE DETAILS FIRST-HAND.
WHEN I LOOKED IN MY CRYSTAL BALL
I DID SEE YOU SATISFIED THE "UNMATCHED SEXUAL STAMINA" CRITERIA.
READY?
And wow, this thing
Is quite large, isn't it?
D- DON'T TOUCH ME...
RIGHT THERE!
Ah!

HOW SHALL I MAKE HIM SQUEAL LIKE A GIRL?
MMM... THIS BOY NEEDS...

ONEE-CHAN'S SADISTIC SWITCH HAS BEEN FLIPPED!
Almost 140cm!
OH?
ONEE-CHAN, CALM DOWN!
MAYBE "LIKE A COW" WOULD BE MORE APPRO-PRIATE?
OR RATHER... BWAHAHA! IN THIS CASE.
COME, COME, GET ON ALL FOURS ON THIS BED!

あとがき

■ロッテ2巻ですよ～！この度もまったりとしたお話にお付き合いくだ さってありがとうございます、葉賀です。

■ところで、すでにお気付きの方も多かろうかと思いますが、ロッテには北欧神話的なベースがちらほらと顔を出しています。十数年前まで日本では外国の神話といえばギリシャ神話がダントツのメジャーで、お話の題材に使われる頻度も高かったものですが、ここ十年ほどですっかり北欧神話にその地位を奪われてしまった感がありますね。やはりRPG等の題材に多く使われたことで、現在送り手になっている世代に深く浸透したのでしょうか。

■葉賀自身も北欧神話が大好きなので、ベースの世界観を拝借させてもらったわけですが、固有名詞を北欧神話から持ってくるばかりでも芸が無いと思い、古ノルド語からほとんど変化せずに現存している言葉、すなわちアイスランド語から多くつけています。とはいえ、キャラ名にはアスタロッテやユーディット（共にセム系語源）のように、語感や字面優先でゲルマン系語源以外から名付けたものも結構あったりしますけど。

■さて、次巻あたりから新章突入です。そう、いわゆる「学園編」に！これからも引き続きみなさんにお楽しみいただければ幸いです。
